

FUNSTON REQUESTS  
MILITIA IMMEDIATELY

**American Note Flatly Asserts That United States Army Will Be Maintained in Mexico Until the De Facto Government Protects American Borders From Raiding Parties**

UNITED STATES PREPARED  
TO BACK UP ITS WORDS

**Meanwhile the Efforts of the Government at Washington Are Being Directed Toward Perfecting the Militia Organization So That It Will Be Effective in Patrolling the Border**

San Antonio, Texas, June 20.—General Funston to-day requested the war department to send him as soon as possible a large part of the national guardsmen, to be stationed along the Mexican boundary from Brownsville to the Pacific ocean.

Washington, D. C., June 20.—The American note, flatly rejecting Carranza's demand for the withdrawal of United States troops from Mexico and rebuking the Carranza government for the discourteous tone and temper of its last communication, was handed to-day to Eliseo Arredondo, the Mexican ambassador-designate. The long-continued outrages against Americans and American property, both in Mexico and on American soil, were reviewed in the note, and a warning was given that the troops will be kept in Mexico until the de facto government performs the duty, which the United States has not sought, of pursuing the bandits who ought to be arrested and punished by the Mexican government.

The note concludes with the statement that if the de facto government continues to ignore its obligations and carries out its threat to defend its territory by appeal to arms against the American troops, the gravest consequences will follow.

"While the government would deeply regret such a result," says the note, "it cannot recede from its settled determination to maintain national rights and perform its full duty by preventing further invasions of the territory of the United States and in removing the peril which Americans along the international border have borne so long with patience and forbearance."

"I am reluctant to be forced to the conclusion which might be drawn from the circumstances," declares Secretary of State Lansing, "that the de facto government, in spite of the crimes committed and the sinister designs of Villa and his followers, did not and does not intend or desire that these should be captured, destroyed or dispersed by American troops or, at the request of this government, by Mexican troops."

The United States' purpose toward Mexico, which was questioned in the last Mexican note, was announced in the following language:

"If a denial that this government has had ulterior and improper motives in its diplomatic representations or has countenanced activities of American sympathizers and American press opposed to the de facto government is desired, I am glad most emphatically to deny it. It is, however, a matter of common knowledge that the Mexican press has been more active than the press of the United States in endeavoring to inflame the two peoples against each other and to force the two countries into hostilities."

Special Agent Rodgers at Mexico City notified the state department to-day that he was arranging for special trains to take American and other foreigners from Mexico City to Vera Cruz. He said that he would remain at his post. His message told about many anti-foreign demonstrations, parades and mass meetings in the Mexican capital and of increasing bitter sentiment. No open acts of violence were reported.

Official reports from many quarters show that a flame of popular feeling against the United States is being kindled throughout Mexico. Apparently it is being done with the sanction of Gen. Carranza, for the acts in many cases are those of his authorized military or civil agents.

From Juarez to the west coast of Mexico, posters have appeared calling the people to arms, and asserting that the United States is preparing to hurl its arms into Mexico. Chaotic conditions prevail everywhere, it is said. Clashes such as that between Mexican troops and American bluejackets at Mazatlan Sunday show that relations are strained to the breaking point.

The act of a subordinate commander anywhere may bring on fighting that will result in war.

Increasing uneasiness over the plight of some 5,000 American civilians now in Mexico was manifested in official quarters. Approximately 1,200 of that number are in Mexico City, despite warning after warning through American consuls and other officials.

Officials do not believe the Carranza government would sanction an attack on American residents or that other foreigners would be involved in any case. A weapon of terrible possibilities is being forged in Mexico, however, with the attempts to incite the ignorant peon population to a war-like feeling against the United States. Mobs formed by half-starved natives, who have been told that all of Mexico's accumulated troubles are traceable to the Americans, might well precipitate a situation beyond control of the government.

Careful preparation has been made for the high American colony near Tampico. For the Mexico City problem, however, no solution presents itself. It was sug-

No applicant is rejected, small boys and old men being recruited.

An American business man from Mexico City estimated that 25,000 Carranza troops are in the state of Chihuahua and he said that the American expeditionary force is practically surrounded. Both El Paso and Juarez were outwardly calm to-day.

## WON'T DECLARE WAR.

**Carranza Still Further Revises His Early Statement.**

Mexico City, June 20.—The streets and public squares of the capital were thronged all yesterday afternoon with patriotic parades, who marched to the various public offices, led by bands and carrying the national emblems as evidence of their willingness to defend the country's honor and dignity in case of a foreign war.

More than 10,000 persons gathered in the great square bounded by the cathedral and municipal palaces, where they were addressed by General Carranza and War Minister Obregon and other members of the government. General Carranza told the assembled throng that Mexico was not seeking war, but would not avoid it at the cost of national dignity.

"Mexico," said General Carranza, "will not declare war on the United States, but will know how to do her duty if hostilities are forced upon her."

A meeting of the Mexican workmen organizations was held and decided to send a commission of workmen to Piedras Negras to confer with a committee from the American Federation of Labor and to use every effort to prevent war between the United States and Mexico.

He suffered a hemorrhage this morning, which resulted in his death. He was born 55 years ago in Arcisate, Province of Como, Italy, and came to America 18 years ago, residing for several years in Northfield and came to Montpelier 10 years ago. In county court the case of Nellie H. Morse, executrix, vs. Town of Waterbury, an appeal from probate commissioners of the estate of George W. Morse, late of Waterbury, was filed. The executrix objects against the allowance of the claim of the town against the estate for \$1,350.80 and asserts that the town was indebted to the deceased to the extent of \$10,000. Plumley & Plumley are attorneys for the appellant.

Referee W. N. Theriault has issued notices that the discharge meeting in the bankrupt estate of Edward H. Towne of Waterbury will be held at 10 o'clock July 20.

AMERICAN REFUGEES  
QUITTING MEXICO  
ARRIVE IN MEXICO

**Party of 100 Men, Women and Children are in Douglas, Having Been Ordered to Leave Mexican Territory.**

Douglas, Ariz., June 20.—One hundred Americans, including 20 women and children, arrived to-day from Naco, Mexico. Consul Frederick Simpich has given notice that foreigners must leave Mexico immediately.

MEXICAN PEONS  
DRIVEN INTO ARMY  
BY THEIR HUNGER

**Carranza Is Recruiting His Army by Promise of Food and Clothing—American Expeditionary Force Nearly Surrounded by Carranzistas.**

El Paso, Tex., June 20.—Hunger is swelling the army of Carranza, which is recruiting in northern Mexico in preparation for possibilities with the United States, according to American refugees arriving here. The peons who have been nearly starved are flocking to his standard by the promise of food and clothing.

GERMANS SEEK  
WEAK SPOT IN  
FRENCH LINE

**Made Three Assaults Last Night on Positions Northwest of Hill 321 and Were Repulsed Each Time by French Machine Gun Fire, Says Paris Official Statement**

THREE OTHER POINTS  
HEAVILY BOMBARDED

**In the Vosges the Germans Attempted a Surprise Attack on an Advanced Sap in the Region of Michelbach, but the Effort Also Resulted in a Failure**

Paris, June 20.—Three German assaults made last night on French positions northwest of hill 321 were repulsed by the fire of French machine guns, says the official war statement to-day. The Germans heavily bombarded French positions in the neighborhood of Vaux, Chaptre and Chantonnay. In the Vosges a surprise attack of the enemy upon an advanced sap in the region of Michelbach resulted in failure.

## DRIVING AUSTRIANS ON.

**Victorious Russians Continue to Capture Prisoners.**

London, June 20.—Having captured Czernowitz, capital of Bukovina, the Russians are well on their way from that city and from various points along the river Pruth, driving the Austrians before them toward the Sereth river and the Carpathian mountain passes.

Numerous additional prisoners have been captured by the Russians in their drive, and more guns, machine guns, ammunition and foodstuffs have fallen into their hands. Petrograd sets the number of prisoners taken for the day at 3,000. Heavy fighting is still in progress to the north, in Galicia and Volhynia, with the Russians generally on the offensive, but with the Austro-Hungarians and the Germans tenaciously battling against their further advance.

In the region south of the Pripiet marshes, to the west of Kolki, and along the Stokhod river, where the Kovel-Kovno railway crosses the stream, the Russian attacks have been partly repulsed by the German General Von Linsingen's forces, according to Berlin, while north-west of Lutsk the battle is going in favor of the Germans.

Petrograd admits the penetration of the Russian lines by the Austrians west of Lutsk, near the town of Lakatchi, but says that the Russians later retrieved this setback.

The announcement of fighting in this region would indicate that the drive in Volhynia has brought the Russians to within 20 miles of Vladimir-Volinsk, the head of the railway running north through Kovel.

Along the Galician border near Radziviloff the Russians announce the capture of 1,800 prisoners. Berlin reports the situation of the Teutonic allies in northern Galicia, near Buczacz, as unchanged.

## TALK OF THE TOWN

Miss Glee Wood of Richardson street returned to the city yesterday from Franklin, where she has been passing a fortnight with relatives. Miss Grace Wood, who accompanied her to Franklin, returned to Barre last week.

State's Attorney F. E. Clouseau and Deputy Sheriff H. C. Lawson of the capital were in the city to-day in search of evidence that will tend to establish the identity of the person who committed a burglary at the Montpelier Country club house last night. Tactics employed recently in a break at the store of F. H. Rogers & Co. in Barre were used advantageously by the club house thief, who entered by breaking a window and then proceeded to divest himself of a prison suit, only to help to retail himself in apparel left in a locker by one of the club members. The prison suit found by the janitor this morning conforms to the pattern distributed to state prisoners in New Hampshire. Evidence in Barre was a scarce article this morning, it was said, and the searches struck out by auto in an easterly direction from this city.

Under the patronage of Mount Sinai temple, the Arab patrol is to have its Fourth of July outing at the Granite City park off Ayers street. Instead of at city park, as was planned originally, this announcement was made to-day by Recorder C. H. Heaton, who states that racing competitions, drills, stunts, etc., are open to the world. For several weeks the Arab patrol has been working on its drill and if the weather is at all propitious those who join in the outing will witness a fine spectacle. The Montpelier Military band is to furnish music and a gala day is planned for all who attend. Someone among the crowd will drive home a Chalmers Six-30 auto, according to the recorder's announcement. The change of locale from city park to the south end arena is received favorably by a large number of shrimers.

## CLASS DAY AT MIDDLEBURY.

**Senior Scholarship Honors Went to Seven Women and Two Men.**

Middlebury, June 20.—Class day exercises of Middlebury college were held on the campus yesterday. The procession formed at the Egbert Starr library and marched to the south side of the chapel, where the ivy was planted by the class president, Philip W. Ferguson. The procession then marched to the platform, where the exercises were held as follows:

Address by the president, Philip W. Ferguson; ivy oration, Donald W. Salisbury; class history, Anne Robert Farnor; oration, Charles E. Wright; class poem, Harriet Clarissa Myers; class prophecy, Robert Arnold and Henry E. Ayward; essay, Helen Esther Kendrick; class will, Frederick L. Fish.

The elections from the senior class to Phi Beta Kappa were announced, there being seven women and two men, as follows: Miss Vera Arnold of Quinebaug, Conn.; Miss Ada Barnes of Middlebury; Miss Olive A. Hall of Putney; Miss Wenona Shattuck of Weston; Miss Marjorie J. Lee of Vergennes; Miss Harriet C. Myers of Westmore; Miss Elora L. Milmarth of Addison; A. J. Parker of Morrisville and C. G. Ross of Rutland.

In the afternoon the University of Vermont defeated Middlebury at baseball by the score of 15 to 1, the home team playing a poor game in the field.

The Merrill and the Parker prize speaking contests were held last evening before a large audience in the Congregational church. Judges were three members of the class of '91 back for its 25th anniversary and reunion. They were Dr. Daniel J. Riley of Dayton, O.; Principal Ezra W. Benedict of Walden, N. Y.; and Judge Thomas H. Noonan of Buffalo, N. Y. Dr. Daniel J. Riley won first prize 27 years ago in the Merrill contest, with the same speech that won second prize this evening. The winners of the Parker prize for sophomores were: Valbridge B. Fullington of Johnson; second, Harold F. Drew of Haverhill, Mass.; third, Charles J. Lyon of Stamford, N. Y.; and fourth Henry H. Chapman of Middlebury. The winners of the Parker contest for the freshmen class were: First, Paul M. Pickett of Marshfield; second, William W. Bullis of Corinth, N. Y.

## SENIORS' DAY AT NORWICH.

**Graduating Cadets Had Exercises—Undergraduates' Day Yesterday.**

Northfield, June 20.—Senior day exercises were held to-day at Norwich university, the program opening with company drill in close and extended order and being followed by combat exercises in which a dismounted advance guard, marching east of the vicinity of Doyle's crossing, encountered resistance by a hostile cavalry patrol on the university hill. The program was continued this afternoon with an opportunity to the public to inspect the Ainsworth infirmary, a building which was made possible by the gift of Mrs. J. E. Ainsworth of Willamstown. Weather permitting, there will be a baseball game between Norwich and St. Michael's college, followed by night mounting and evening parade. To-night the senior concert will be given by the Norwich musical clubs, after which there will be dancing.

Fraternity banquets brought undergraduates' day to a close last night, the day having been filled with a series of military maneuvers.

## FOUND NOTHING IN SAFE.

**Cracksmen at Concord Postoffice Had Trouble for Nothing.**

Concord, June 20.—The postoffice here was broken into early yesterday morning, the safe blown open and money and blanks stolen. Entrance was made by springing the lock on the door. The knob of the safe combination was broken off and nitro-glycerine poured in, but the breakers found neither money nor stamps. People living near the postoffice heard a loud explosion about 1:30 o'clock, but the break was not discovered until Postmaster F. W. Chapman opened the office in the morning. It is thought to be the work of professionals. State's Attorney Claire Powell of Island Pond is investigating.

ADJT. GEN. TILLOTSON  
IS AWAITING ORDERS

St. Albans, June 20.—Reports received to-day at the headquarters of Adjutant General Lee S. Tillotson of the first regiment of infantry, Vermont National Guard, show that the regiment is prepared to go into camp at the state camp ground to-day if necessary. All of the companies are reported to be recruited up to the minimum strength of 65 men, which is required before they can be accepted, but not of course to the service strength of 150 men.

General Tillotson is now awaiting orders from the department of the east, commanded by Brigadier General Leonard A. Wood, before ordering the regiment to the camp. A number of officers are already at the state camp near Fort Ethan Allen, completing the arrangements for the camp; and the camp is in shape for use to-day, if required. Major F. S. Vardant of St. Albans, of General Tillotson's staff, went to the camp grounds to-day.

G. S. COMMERCIAL  
GRADUATES BANQUET

**Enthusiastic Event in Commencement Week at the Seminary Was Held**

**Last Evening, with Interesting Program.**

Commercial class graduates of Goddard seminary, who represented every class since 1910, were present at Alumni hall atop the hill last evening for the first annual banquet of the alumni association formed two years ago. Due chiefly to the energy of the 1916 graduates, Prin. O. K. Hollister and Mrs. Beals, who catered for the banquet, the affair may be set down as one of the big successes of commencement week at Goddard. The school colors and class banners bulked large in an attractive decorative scheme, the Goddard combination, red and white, being particularly conspicuous, with others as follows: 1914, purple and white; 1915, green and gold; 1916, buff and brown. The banquet was served at 8 o'clock, but it was 11 o'clock before an interesting program of after-dinner exercises and the business meeting were over.

J. Edward Lambert, '15, president of the alumni association, acted as master of ceremonies and responses were made as follows: Welcome to the graduating class, Mr. Lambert; response, Ernest King; "Commercial Boys and Girls," Prin. Hollister; "Relations of Business Men to Business Pupils," Harvey E. Averill; "Athletics," Charles L. Hoernle; "Experiences of Former Students and Graduates," Mr. Averill, a former member of the faculty, was warmly welcomed. Testimonials of the esteem in which they are held by the 1916 class were received by Mr. Hoernle and Miss Bridges, who responded briefly to the presentation speech made by Miss Ella Wilson.

At the business meeting Miss May Lake, '14, the secretary, read a report for 1915-1916. Her report was followed by a statement from the treasurer, Nathan Flint, '14, and the report of the committee on the purchase of records, composed of Mr. Lambert and Forrest H. Bellows, '12, was received with interest. Other reports were: Committee on resolutions, Alex. Lecasse, '15, Miss Mary Smollett, '14, and Miss Donetti, '15; executive committee, Miss Bridges, H. Leslie Poor, '14. A vote of thanks was tendered the 1915-1916 officers as follows: President, J. Edward Lambert; secretary, Miss M. M. Lake; treasurer, N. W. Flint; vice-president, Raymond Tierney, '14. It was voted to hold a commercial class banquet annually on the night before the class graduation.

Officers for the ensuing year were elected as follows: President, J. E. Lambert; secretary, Miss Ruby Jeffords; treasurer, N. W. Flint; vice-president, Miss Mary M. Donetti; executive committee, Miss Bridges, Algot Knutson, '16, Miss Christina Murray, '14; committee on resolutions, Miss Lake, Miss Margaret Lamperti, '14, Miss Josephine Rizzi, '14.

Among those who came from out of town to attend the banquet were: Mrs. Blanche Ward Kent of South Barre, Miss Muriel Chamberlain of Warren, Miss Erna Cooney of East Barre, H. Leslie Poor of East Brookfield, Mrs. Edna Ormsbee Morse of East Montpelier and Miss Katherine Murray of Willamstown.

## BRIEF ILLNESS OF PNEUMONIA.

**Otto Peterson Died To-day—He Was a Granite Cutter By Trade.**

Otto Peterson died at the City hospital this forenoon at 11:30 o'clock, the end following a brief illness of pneumonia. Mr. Peterson was removed to the hospital from his home, 6 Warren street, Saturday afternoon. From the outset his condition was critical. He is survived by his wife, and three sisters, two of whom reside in Worcester, Mass. A third sister, Mrs. Paul Paakkerman, lives in Lanesboro. The deceased was born in Finland around 32 years ago and came to America as a boy. For 15 years he lived in Massachusetts and New Hampshire, coming here from Pittsford, N. H., three months ago. Mr. Peterson was a granite cutter by trade.

It is expected that the funeral will be held at the house Thursday afternoon, with interment in Hope cemetery.

Miss Mary J. Wright of Keith avenue left the city last evening for Mt. Clemens, Mich., where she will spend a few days at the home of her cousin, Miss Beth Skinner, on Prospect street.

Mrs. Oliver and Mrs. E. C. Burgess of Chelsea are spending a few days as guests of Mrs. Henry E. Hodgdon on Highland avenue.

Mr. and Mrs. J. T. Kelton, who have been visiting with friends on North Main street for several days, returned to their home in Lowell, Mass., yesterday.

VERMONTERS  
TO MOBILIZE  
WEDNESDAY

**National Guard, Which Has Been Waiting 24 Hours After Being Called On Yesterday Morning, Orders To-day to Proceed to State Campground in Colchester**

TROOPS WERE READY  
WITHIN 15 HOURS

**Company H of Montpelier Will Be Given a Good Send-off When It Leaves, Although the Exact Time of Departure Has Not Been Made Public—Recruiting Going On**

The Vermont National Guard, which was called out early yesterday by the president's order in order to do patrol service on the Mexican border with the whole organized militia of the country, will mobilize at the state camp ground near Fort Ethan Allen, in the town of Colchester, according to orders which were issued this morning. Since the call to arms the companies have been held in readiness for immediate departure from their home stations, while in the meantime steps were taken to recruit to the full strength of 65 men per company.

At the headquarters of Col. Ira L. Reeves, commanding officer of the Vermont National Guard, at Northfield, it was announced that within 15 hours of the receipt of the order from President Wilson the Vermont troops were ready to proceed to the state camp ground.

All Norwich university cadets eligible for the first squadron of Vermont cavalry will go. There are 180 men in the squadron, now being short 100 men. The squadron will probably go to the state reservation on Friday. It was also announced that there is an opportunity to join the regimental band.

Although over a dozen applicants appeared at the Montpelier armory yesterday and to-day to enlist, Company H at noon to-day lacked five of having the necessary 65 men for the minimum strength required. It is expected, however, that a number of others will be accepted as soon as the necessary examinations can be made. Orders were received this forenoon to the effect that the company shall entrain sometime tomorrow, the exact time to be determined to-night. A passenger car from White River Junction was brought on the north-bound train over the Central Vermont railroad this morning and set on the sidetrack near the station to carry Company H to the state reservation.

Following is the complete list of officers and men of the company, not including those who have enlisted since recruiting commenced:

Captain, J. Edward Coghan; first lieutenant, Raymond W. Paine; second lieutenant, Clarence Lepage; first sergeant, W. E. D. Coghan; quartermaster sergeant, Carl F. Nelson; sergeant, Edward Duckett; sergeants, William Canning, Edward Ruby, Archie McDonald; corporals, Robert Gleason, P. B. Raymond, Spooner, John McDonald; cooks, James S. Wood, Lorton Lotrop; musician, O. E. Russell; privates, Raymond Hathaway, Archie Adams, Andrew Jackson, Henry Deslet, H. W. It has been arranged to give the boys a good send-off when they leave Montpelier, the Montpelier Military band having been secured to play for the occasion.

## GODDARD BOYS BACK ON HILL.

**Will Not Join the Colors Before Saturday, If Then.**

Twenty-five young men from Goddard seminary, members of the school battalion formed last winter, who hastened to Northfield Monday morning to join the colors, came back to the city last evening, and were at work over their books again to-day. It was intimated that the Norwich unit will not leave Northfield until Saturday at the earliest and until that time the Goddard battalion will remain on its own hilltop. Prin. O. K. Hollister, who went to Northfield on the morning train, got the boys "out of the trenches" for commencement week and after that some decision will be reached as to how many seminary youths will serve. A number of young men in the battalion are to participate in the exercises of the week.

Recruiting headquarters have been established at Hotel Barre in room 335 by Lieut. F. C. Berry and Private A. A. Ogston of Norwich, who are using their persuasive powers to urge upon young men the value of military training just at this time. This forenoon the following applicants had been enrolled: James Gibson, Joseph Williams, Bert Mercer and John McHugh. Like Abner Ben Ad-
